HEALTH & SAFETY POLICY

We consider the health and safety of each of our employees to be of primary importance. Our objective is to conduct our business in the safest possible manner consistent with the Occupational Health & Safety Act, applicable Regulations and good working practices.

The management recognizes the right of workers to work in a safe and healthy work environment. To this end we shall constantly educate our workers & supervisory staff on the hazards they might be exposed to during the course of their work and shall endeavour to provide them with the best PPE support during their work. All employees, subcontractors, supervisors, and visitors to our work sites will be held accountable for their health and safety performance.

REMEMBER, THINK FIRST, USE COMMON SENSE, AND DON'T TAKE CHANCES.

Your attitude and cooperation in the promotion of accident prevention will assist in achieving our goal to make the job sites of Span-Chem Technologies a better place to work.
